Dear Inspector General Cumming:

I received the report of an investigation (Case #19-0035-1) performed by your office relating to issues within the Department of Transportation's (DOT) Signs and Markings Section concerning employees _____, Traffic Maintenance Worker II, and _____, Traffic Maintenance Worker I. I have conferred with the City Solicitor and Department of Transportation on this matter and as of the signing of this letter, these employees are no longer employed with the City of Baltimore.

Additionally, DOT is developing a Standard Operating Procedure and Policy to provide better oversight of field employees in the future which will be signed by all supervisors. I thank you for your thorough report, and should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Bernard C. Young".
